This promissory Note is established for the purpose of providing a low interest loan to Washington students that demonstrate the inability to pay the full cost of tuition at a Washington Aerospace Training Program. The Washington Student Achievement Council (WSAC) is the administering state agency for this loan (RCW 28B.77.005).

A. Loan Amount and Disbursements:

The loan amount will be either the amount I requested or an amount not to exceed the cost of the course(s) listed below, whichever is less. This loan will be used to pay for a Washington Aerospace Program.

To receive the Certification you will need CORE and Second Segment.

If requesting less than \$2,400, amount of request: \$ _____

AND/OR

- Up to a maximum of \$2,700 to pay for the **Second Segment** (on-site following CORE).
If requesting less than \$2,700, amount of request: \$ _____

Upon successful completion and based on meeting Satisfactory Academic Progress (SAP) as defined by the Aerospace Certificate Program Institution, payment for the Second Segment will be processed to cover the on-site class room training segment.

AND/OR

- Up to a maximum of \$2,700 to pay for the **Quality Assurance** Certification (upon successful completion of the above Certification Program).
If requesting less than \$2,700, amount of request: \$ _____

B. Interest Rate: No interest is charged to the Borrower during periods of "continuous enrollment." Continuous enrollment means the period of time the Borrower is enrolled in the Aerospace Certificate Program, without stopping. Interest charges begin to accrue at the conclusion of a six month grace period or if the borrower ceases to be enrolled or does not meet satisfactory academic progress as defined by the Aerospace Certificate Program Institution. The interest rate is a variable rate, adjusted annually on July 1. The annual interest rate shall generally parallel the current rate for new loans in the primary federal Direct Stafford loan program for undergraduate students. The maximum interest rate charged the Borrower shall not, however, exceed 8.25 percent.

C. Repayment: I will repay the total amount due in monthly installments. Payments will be applied to any outstanding late charges, collection costs, and interest charges that have accrued to the loan before principal is credited. At my option, I may agree to a repayment period that is fewer than four years. The minimum monthly payment will be not less than \$50.00 on any amount borrowed.

D. Prepayment: I may, at my option and without penalty, prepay all or part of the principal or accrued interest before such payment is due as long as the payment is credited as indicated in item C above.

E. Forbearance and Deferment: Under certain circumstances I may request forbearance and deferment. Requests will be reviewed on a case by case basis. If approved I will be eligible for a postponement or a reduction of monthly payments. I will provide to WSAC appropriate documentation supporting any request for forbearance or deferment. Interest will accrue during periods of forbearance. Interest will not accrue during deferments.

F. Collection Charges: I agree to pay WSAC or its billing/collection agent, late charges, skip-tracing fees, court costs, attorney's fees, returned check fees and any other charges which the WSAC incurs in collecting any amount I owe under the Promissory Note if not paid when due. If any payment has not been received by the billing agency or the WSAC within 20-days after its due date, a late charge at the rate of \$5.00 or 5% of the payment, whichever is less will be assessed.

G. Rights and Considerations:

(1) WSAC makes no representations regarding the quality of the institution I have selected, or the appropriateness of any program of study for my educational or career plans. In choosing an institution or entity, I must consider carefully academic and other information provided by the institution or entity.

(2) It is my responsibility to keep WSAC apprised of my current name, address, enrollment status, or any other event affecting the discharge of my responsibilities under the conditions of the Promissory Note, including these Terms and Notices. Any notice, other than service of process, that is required by law to be given to me will be effective when sent by first class mail or by electronic mail to the latest address WSAC has on file for me. It shall be no defense that I did not receive any notices so addressed.

(3) WSAC's failure to enforce, or to insist that I comply with, any terms of the Promissory Note is not a waiver of WSAC's rights. No alterations can be made to the Promissory Note. No provision of the Repayment Schedule and Disclosure Statement can be waived or modified except by writing, signed by the party or a representative of the party against whom the modification is offered as a defense.

(4) My loan will be cancelled if I die or become totally or permanently disabled as defined in the rules and regulations of WSAC.

H. Credit Bureau Notification: WSAC will report the status of this loan to any of the credit bureau organizations during the life of the loan. If I become delinquent or default, this may significantly and adversely affect my credit rating.

I. Privacy Notices: Privacy Act of 1974 (5 USC 552a): Certain information required on the application is made confidential by the Privacy Act of 1974 (5 USC 552a); nevertheless, the requested information is necessary for participation in the Aerospace Certificate Program to verify your identity and to determine your eligibility for the program and for any benefits from it. The Privacy Act provides that an agency may continue to require disclosure of an applicant's Social Security Number (SSN) as a condition for the granting of a right, benefit, or privilege if the agency required this disclosure prior to January, 1975. The WSAC has, for years prior to 1975, required the disclosure of the SSN of all applicants for the programs that it administers.

The SSN will be used to verify your identity, and as an account number (identifier) throughout the life of the loan, in order to make certain that WSAC records necessary data accurately. As an identifier, the SSN is used in such
